2:37 PM **me**: yo yo
got a question for you
2:38 PM get back to me when you have a moment

18 minutes

2:57 PM **Hilarie**: shoot
2:59 PM **me**: I'm starting up an organization here in Brooklyn
so far have a guy from ACLU and Drug Policy Alliance working for me on this
3:00 PM we're going to be assisting those who have been illegally searched
and basically try to end illegal police searches in Bushwick
so, would you be interested in assisting in an advisory capacity whereby maybe one a month I'd ask you for some legal advice?
you could have a title as well
3:01 PM **Hilarie**: honestly, i dont really have that much time to serve in an official capacity giving legal advice
3:02 PM but i would be happy to give you advice as your friend
the ACLU contact should know some people in NYC who can provide pro bono
but legal advice takes time
so I can't commit to it
3:03 PM **me**: understood
Hilarie: so if you have questions or concerns, i will give you my advice
me: okay, thanks
